FROM : **PRODUCTION PLANNING AND CONTROL-LIMA**

DATE : **July 11, 2024**

SUBJECT : **JUSTIFICATION FOR CANCELLATION OF DELIVERY, AND INSTALLATION OF OFFICE PARTITIONING SYSTEM AT QA FACTORY DEFECTED**

This is to formally request the cancellation of the Supply, Delivery, and Installation of the Office Partitioning System project at the QA Factory **(Bid Reference No. PB-12-24)** defective because the allotted budget for this installation is urgently needed for the project that directly impacts our operational efficiency and strategic objectives.

Given these circumstances, we believe it is reasonable to reallocate the funds originally set aside for the office partitioning system toward these higher-priority initiatives. This decision aligns with our commitment to optimize resource utilization.

We apologize for any inconvenience this cancellation may cause and assure you that we remain committed to maintaining the highest standards of workplace functionality. We appreciate your understanding and support in this matter.

Please do not hesitate to reach out if you have any questions or require further clarification regarding this decision.

Thank you for your attention to this matter.
